DESCRIPTION

The Coco Dining Chair is part of the Coco Collection, designed by OEO Studio with focus on charismatic signature design that offers a high level of comfort. The chair borrows references to the industrial simplicity, fashion and the Bauhaus, but the inspiration of the design comes from a desire to create a simple yet elegant chair with minimal use of materials and tools without compromising the design and character.

The design also allows the Coco Dining Chair to be both playful and loud to more sophisticated and elegant, which gives the chair an almost human character, makes it highly recognizable, enhances its uniqueness and makes it easy to implement in both private homes as well as restaurants, cafes etc.
