

Designer Giuseppe Bavuso, year 2013

Desire for the elegance of the past: Carol. A neo-vintage armchair with rounded lines that revisit the '50s in a contemporary way. The visible stitched edging is a stylish detail, created by Italy's finest tradition of craftsmanship.

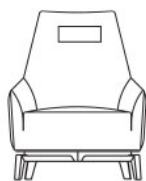

Carol

Polymex frame with polyurethane foam and polyester fiber lining. Seat in polyurethane foam and polyester fiber lining. Magnetic adjustable headrest. Base stained ash or in chrome-plated or painted steel, in stainless steel, Peltrox finish or black nickel. Leather or fabric cover. "Horse seam" stitching in the same colour tone; contrasting thread by request.
