ITA

Geometria e rigore caratterizzano questa particolare libreria che coniuga design e funzionalità. In Eresia i volumi si alternano in un equilibrato gioco di proporzioni. Cubi e parallelepipedi sono intervallati da aperture a giorno in una ludica alternanza di "vuoti" e "pieni".

Estremamente modulare e componibile, Eresia si inserisce perfettamente in qualsiasi ambiente, dall'ufficio alla zona living: un complemento d'arredo di estrema razionalità che può essere utilizzato anche per separare due diversi ambienti domestici.

EN

Geometry and strictness characterize this particular bookcase that combines design and functionality. In Eresia volumes alternate in a balanced play of proportions. Cubes and parallelepipeds are spaced out with openings in a playful succession of "empty" and "full".

Extremely modular and sectional, Eresia fits perfectly in any environment, from the office to the living area: a piece of furniture of extreme rationality that can be also used to separate two different home environments.
