L'immagine iconica delle grandi pagnotte, vero culto locale, diventa fonte di ispirazione per una linea di imbottiti dalle forme morbide e generose declinabili in tutte le possibili configurazioni. A raccontare in modo più immediato l'essenza del progetto sono i tagli, che geometrizzano le avvolgenti forme della collezione, a ricordare proprio i tagli praticati sull'impasto del pane di Altamura e che, con la lievitazione, ne determinano la classica forma. Le linee decise ed essenziali, ma mai severe, che disegnano l'intera collezione creano un legame evidente tra design, natura e saperi ancestrali.

ENG

The iconic image of the large loafs, a veritable local cult, becomes thus the inspiration for a line of upholstery with generous, soft shapes that can be declined in all possible configurations. To tell more immediately the essence of the project are the cuts, which geometrize the enveloping shapes of the collection, to remember precisely the cuts made on the dough of the bread of Altamura and that, with leavening, determine the classic shape. The swift and essential lines, though never severe, that shape the entire collection create an evident link between design, nature and ancestral knowledge.
