

FLOS

F1844044 Anodized Champagne

Coordinates Suspension 2 CLIII

Designed by Michael Anastassiades, 2020

50W - 2960lm - 2700K - CRI > 95

Coordinates is a lighting system with diffuse light composed of horizontal and vertical luminaires arranged in a bright grid of various shapes and complexities. Each element is made of extruded anodized aluminium with a champagne finish and a diffuser in platinum optical silicone with an integrated LED strip (CRI 95). Each element is powered and supported by an invisible electrical and mechanical connection designed specifically to allow for the composition of the 4 hanging models (S1, S2, S3, S4) with 2.4-m cables. The 'S Module' is also available. Its geometry was designed to be repeated to create large grids for custom installations. Each Coordinates configuration includes its own ceiling rose, whose integrated electronics allow for the use of different dimmer systems: push, 1-10, DALI. In the absence of these systems, the amount of light can be set during installation with the push system included in the rose. The related CI III version is also available for each configuration for installations with a remote power supply.

Main specifications

EAN	8059607032572
Mounting	Suspension
Environment	Indoor dry location
Light source type	LED
LED type	LED Module
Lamp holder	LED Module
Power (W)	50
Source flux (lm)	2960
System flux (lm)	2960

Physical

Colour	Anodized Champagne
Length (mm)	1762
Cord length (mm)	2400
Net weight (kg)	1.8
Package volume (m3)	0.02
IP	20
IP external	20
