Islets Dining Table

By Maria Bruun, 2020

Model	6775 - Ø120 cm
--------------	----------------

About	The Islets Table series is a precise design with a strong identity, based on a simple construction where details are kept to a minimum. It's an approach that reflects the sculptural minimalism of Danish designer Maria Bruun, who seeks a balance between a light feeling in the expression and pieces with a strong, assertive presence.
