description	material - finishing	size
<p>— Bendy is a shelf made of a single stainless steel foil, folded and with a brass or matte nickel finishing, that creates a harmonious support surface. The design, essential yet unique, highlights the material as protagonist, enhancing its flexibility. Bendy is available in two different dimension, to meet any specific need.</p>	<p>^A Matte brass-plated stainless steel</p>	<p>L55 W25 H10 L95 W25 H10</p>
