

CONTAINER

by e-ggs

Già dal nome è chiaro il suo intento: la madia Container nasce da un'ispirazione industriale, origine accentuata nei colori laccati o addolcita nella finitura in legno. Insomma, in un modo o nell'altro troverà sempre il modo di farsi spazio nel tuo living.

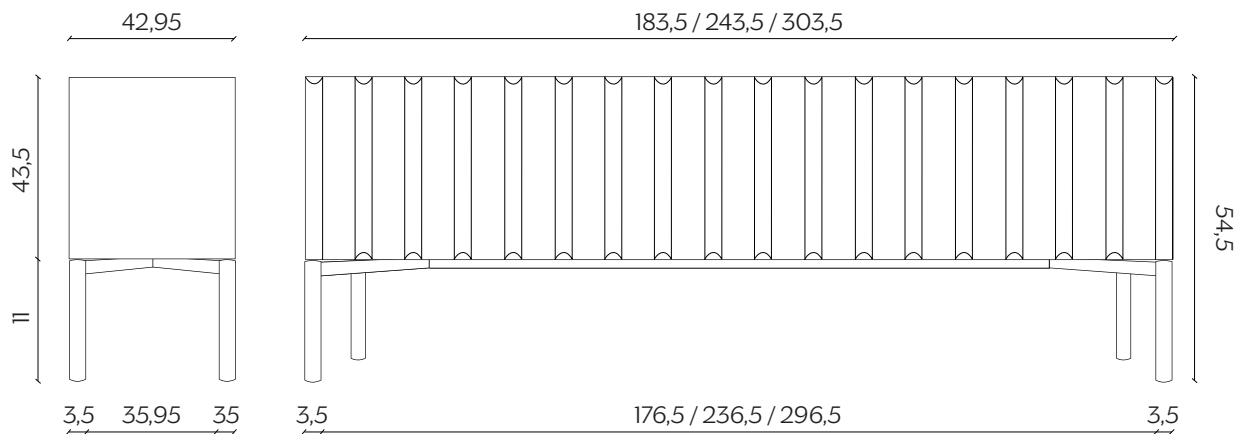

Its name clearly points to its purpose: the Container sideboard springs from industrial inspiration, an origin that is accentuated by its lacquered colours, yet mellowed in its wood finish. In short, it will always find a place in your living area, one way or another.
