

Black

English green

Reddish orange

Cestita Alubat's comfortable handle makes it suitable for all kinds of excursions—indoor or out. The robustness of aluminum, available in black, English green or reddish orange, contrasts with the delicacy of its original wood-and-glass version.

Inspired by the traditional lanterns that light coastal homes, country estates, and open terraces, the Cesta family features structures that embrace and elevate the luminous globe, adapting it to different uses. Cestita Alubat is the sturdiest of them all: solid yet lightweight, with three light settings –full, medium or low–, it is the perfect companion for any journey.
