

## 5442

Design By Jordi Vilardell

Puck achieves great purity of line and beauty of form. The use of triplex opal blown glass of the highest quality and the white cast aluminum body gives the product a perfect finish. Puck produces warm diffused illumination without glare. Whether selecting the single button of glass or a design with multiple diffusers, each design only requires one junction box for mounting.

### Spec sheet

<b>Finish</b>	 O3 White RAL 9016
<b>LED color temperature</b>	2700 K
<b>Dimming</b>	On/ Off
